

Worship Leader

Staff Team: Implementation

Job Summary

The Worship Leader assembles and oversees a dynamic worship team known for its impact and excellence. This staff member is knowledgeable and gifted in worship and leading a band. The Worship Leader also serves as the production tech and is responsible for managing Ground Zero's production resources.

Essential Functions of Job

- Collaborate with GZ staff to create, plan and implement inspiring and life changing ministry to teens
- Embrace Ground Zero's vision, mission, values, and strategy
- Honor ministry policies outlined in Ground Zero Handbook
- Perform other duties as requested by the President of GZ
- Understand every staff member has a role in advancement
- Function in a non-traditional work schedule that balances ministry, family, and personal time
- Understand our commitment at Ground Zero to live the principle, "He must increase, but I must decrease." – John 3:30 - *John prepares the way for Jesus through his life and his preaching. But in the end, that mission is not to draw attention to himself but to draw attention to Jesus.*

Advancement

- Raise and maintain personal ministry partnership support

Implementation

- Create and lead dynamic worship team known for its impact and excellence
- Arrange for GZ Worship Team to serve at GZ events and to be sent out for other ministry opportunities (churches, prisons, camps, tour) locally, regionally, nationally and internationally
- In addition to recruiting students for the GZ Worship Team, serve as a spiritual mentor to assist these students to grow in their relationship with Christ
- Manage, oversee and maintain the venue's technical and production equipment
- Oversee Production Team (including front and back of house sound, lighting, video and any additional production needs) for GZ events
- Maintain an organized production booth, stage and amp room
- Conduct production and lighting for smaller GZ events
- Create stage sets to keep stage aesthetically interesting
- Work with guest artists to ensure clean communication and assist them upon arrival
- Work with Operations Director for venue rentals to ensure production equipment is properly used and cared for

Leadership Teams

Organize and oversee these leadership teams:

- Production
